

## **Williamsville Community Plan Workshop #2, April 24, 2007**

### *Group Discussion Notes*

#### **Topic Station 3: Main Street Economic Development**

- 1 – 5 mile ring around the village driving the retail business in the village
- Retail strip in Williamsville is long compared to other villages
- What would the impact be of “Mill Village” on Main Street retail? Mill Village is a different targeted audience
- Shared parking would help encourage local development
- 2<sup>nd</sup> or 3<sup>rd</sup> story of businesses for office and residential
- Daytime office population also aids retail (higher here than other villages)
- Importance of medians
- Planning on many levels:
  - Amherst
  - Williamsville
  - Mill Village
