

Williamsville Community Plan Workshop #2, April 24, 2007

Group Discussion Notes

Topic Station 1: Land Use Concepts

- Changing Zoning to Residential – to protect against more commercial and industrial
- Long Street area remains a park for longterm and must be maintained better
- How is the park promoted?
- Better signage for the Lehigh Trail
- Connect Lehigh & Long Street Park by the village acquiring the Chimney Store storage building; and to Main Street as well
- Rowhouses and restricted development to enhance the parklike setting
- Connecting a bike path back to the Lehigh Trail
- What are our options other than residential?
